

**2019 Annual Meeting and Topgolf Event Sponsorship Opportunities**

**Topgolf event will be October 24 and the Annual Meeting with education will be October 25**

Your sponsorships help keep the cost to attendees lower.

This will allow us to offer the event at a lower price to contractors.

Eagle and Birdie sponsorships will include one paid golfer for the Topgolf event.

Fairway Sponsorship will include two paid golfers.

Any additional golfers will need to pay registration fee.

We would like the door prize description by July 19th. This way we can list items in the newsletter that will include the registration form and event information.

If you do a sponsorship, you can hand out company logo items as well to attendees. This will be limited only to companies who do a sponsorship. We will give you a head count October 14.

Event sponsors will be acknowledged on signage at both the Topgolf event and at the annual meeting, in all newsletters, on our website and Facebook page.

If you attend, you can open bar tabs to purchase alcohol for attendees at your discretion. IGWA will not be providing alcohol at this event.

**All attendees must pay whether or not they golf.**
