LETTER FROM THE PRESIDENT

Well, what can I say; I’ve really enjoyed serving as president of this great water well association. I have met some good people and we have shared some great conversations about the water well industry. The changes we have seen, and been part of are all pieces of progress. There will always be some common things that we all can agree on and there are some matters we won’t, but please always have a civil conversation.

I joked about this being my swan song letter, but whom am I kidding? I will always be part of the IGWA. I joined IGWA when I first started with Franklin Electric. Both my job and being part of the board have been part of my life for ten years now. Hard to believe but yes, ten years! It started with Donna Sheets (the former executive director), asking if she could talk with me for a few minutes.

When I started as president, I wrote in my first letter, “to leave the association better than I found it.” I felt that the board and I have done a great job these last few years in growing our association in convention attendance, distributors, and membership. We have a great supporting staff with Mark Ortman, Nate Rutledge, Dave Mumma, Troy Alexander, Dustin Findlay, Dale Remmler, Mike Hexamer, and the new guys, Jack Wymer, Aaron Ricer, and Jeff Stone. I want to thank each of these guys, who have made my job easier.

I also want to thank our executive director, Jennifer Alexander. She has been an amazing addition to the water well association. She does so much behind the scenes that holds this association together. She is the rock of our organization. Once again, thanks goes out to all who are involved, from members to our distributors and manufacturers.

NGWA DELEGATES MEETING CALL OUT AT GROUND WATER WEEK

The NGWA will be having Ground Water Week again in Las Vegas this year. The date of the delegates meeting is Wednesday, December 4, 2019 at 5:15 – 6:15 p.m., at the Las Vegas Convention Center.

Eligibility requirements to be a delegate:

Proposed delegates must meet all of the following requirements to be credentialed and seated for the meeting:

a) Current NGWA membership at the time of the meeting
b) Registered to attend the 2019 NGWA Groundwater Week event
c) Proposed delegate must be a resident of the state/province for which they wish to represent

If you wish to be a delegate, you must email me at the office — ingroundwater@gmail.com — no later than October 28.

Our official count will be released soon, but in 2018 we had 11 available spots.
Indiana Ground Water Association

Presents

2019 Environmental Driller Continuing Education Class

Agenda & Registration

November 15, 2019 ~ 7:30 AM to 4:00 PM
Valle Vista Conference Center
755 E. Main St. Greenwood, IN 46143

Registration Deadline November 6

Approved for Continuing Education Hours: 6.0 Well Drillers + 6.0 Pump Installers

7:30 am – 8:00 am Registration with Breakfast
8:00 am – 9:30 am 811 Law & Safe Digging Practices presented by Steve Baker
9:45 am – 10:45 am Surficial Geology of Indiana & its Relevance on Environmental Investigations
presented by Dr. Loope & Dr. Antinao
11:00 am – 12:00 pm IDNR Updates presented by Mark Basch & Vanessa Gonzalez
12:00 pm – 1:00 pm Lunch
1:00 pm – 2:30 pm Drill Rig Safety presented by Rob Caho
2:45 pm – 3:45 pm Environmental Drilling Fluids, Hole Abandonment & Grouting
presented by Norman Pelak

IDNR TESTING ~ 8 am – 11 am. Contact INDR directly to schedule. 317-234-1085
If you plan to attend any portion of classes or meals you must also pay and register with IGWA.

Member Fee: $65.00 Non-member Fee: $100.00

Fees must be paid for by day of event. Fees are per person.
Refunds must be requested in writing no later than November 1.

FLINT & WALLING 4-INCH MOTORS
The only 4-inch submersible motor made in the USA.

To us it's not enough to build premium pumps—we also build our own premium motors, right here in Kendallville USA.

We insist on using quality materials, skilled American workers, and testing our products again and again.

We do this, all to ensure our 4-inch motors will perform and pass the ultimate test—yours.

That's premium quality and reliability—that's American. To the core.

Call 800.584.8069 or visit FlintandWalling.us to locate a distributor near you.

A BIG THANK YOU TO OUR ANNUAL MEETING SPONSORS

The IGWA Annual Conference is October 24 – 25 at the Topgolf in Fishers, Indiana.

A sincere thank you to all of our sponsors. We couldn’t do this without you!
Flomatic's Non Sticking VFD Check Valves

The patented submersible pump check valve is used on variable flow demand (VFD) systems and applications. While standard check valves will “chatter” and be noisy when the system goes to low flow, eventually causing failure, Flomatic’s exclusive patented poppet system ensures that the valve smoothly and automatically adjusts to flow changes and is noiseless at very low flows. Works for all applications!

AVAILABLE IN STAINLESS STEEL, DUCTILE IRON, AND BRONZE

IGWA FIELD DAY 2019

On October 4, IGWA held our Field Day at Pam’s Promise in Crawfordsville, Indiana. This year the IGWA installed a 300’ well, pump system complete with tank to the home.

Pam’s Promise is a non-profit transitional housing program offering a variety of support services for Montgomery County homeless men, women, and their children with a goal of helping clients become self-sufficient within three to six months.

A big thanks to all the volunteers and sponsors (see below) who helped make this field day a reality.

More Field Day photos on page 8.
IT’S TIME TO FACE (VIRTUAL) REALITY!

Do you have the knowledge and speed to be the 2019 Grundfos WaterPRO Champion?

Our qualifying challenge will send you barreling towards victory on the Road to Guts & Glory—a timed virtual reality game testing both your industry and Grundfos product knowledge.

If you are one of our top 10 competitors, we’ll send you to NGWA’s 2019 Groundwater Week to compete in the finals for $10,000 and the WaterPRO Champion title.

WIN $10,000

Find an event near you: grundfos.us/WaterPROChampionship
Digging up well to connect waterline.

Installing outside pitless adapter.

YOUR NEW MULTI-TOOL

Never Underutilized.

One drive yields an array of constant water pressure and protection solutions. The SubDrive Utility™ Variable Frequency Drive is your tool to solve 2-wire submersible, PSC, and surface pump water pressure challenges in both 115 V and 230 V applications. With a multitude of utilization choices, it’s destined to become the center of attention in your toolbox.

Thank You!

IGWA Joseph L. Armstrong Family in Business Scholarship Donations

Thank you to Martha & Richard Van Gilder for the donation of $100.00 in the memory of Marvin Hacker.

How to donate to the scholarship fund:
1. Go to the donation form at:
   https://app.etapetry.com/hosted/CommunityFoundationofHoward/OnlineDonation.html
2. Fill in your information and donation
3. Select Fund Name:
   “CF Carroll - List fund name below”
4. In the comment section state:
   “IGWA Joseph L. Armstrong Family in Business Scholarship”

New Scholarship Application Procedures

Applications will be uploaded to the CCCF site in October 2019. As soon as it is uploaded, the student can begin the process of applying.

Please note: The process has a much earlier deadlines than in the past. The new applications deadline is February 3, 2020.

There will be a link on our website to access the foundation website or you may use this link below to go directly to the Scholarship page and then follow the instructions for applying. http://howardclintoncarrollscholars.communityforce.com/
SIMCO 2800 - Water Well / Geothermal Drill Rig
Frost laws won’t stop this rig! Reach depths up to 500 feet.

The SIMCO 2800 is the best built drill rig for water well / geothermal well drilling in its class on the market today. SIMCO 2800 is compact, ruggedly built, easy to maintain, and its all-hydraulic top head drive is ideal for providing the power needed to get the job done.

SIMCO 7000 - Water Well / Geothermal Drill Rig

The SIMCO 7000 Water Well / Geothermal Drilling Rig is the workhorse of the SIMCO family with its auto-indexing drill rod carousel and mud pump options.

SIMCO 7000 - Geotechnical / Environmental Versions Available, Too!

CONTACT SIMCO TODAY FOR A QUOTE

SIMCO has a 45-year track record of quality-built drilling rigs, equipment, and service. All SIMCO rigs are backed with the best warranties in the industry. SIMCO provides unmatched, professional service and support to our customers.

IGWA DUES REMINDER

Just a reminder that dues are due on December 1, 2019. Invoices will go out in October. As a member you are listed on our website for customers to find and it allows you to save on registrations to IGWA events. This is the only organization representing water well drillers in the state of Indiana. It is important that your voice is represented with your fellow drillers. If you are not a member, please consider joining the IGWA.
