

We are excited to announce our Spring 2023 Field Day!

If you respond by 2/28 you will be listed in the March newsletter as sponsoring, displaying, and/or talking!

Also attached is the flyer for the day with the agenda. We will be doing a drilling demo, abandonment demo, gamma ray logging, sieve analysis, mud management, and well log discussions.

The location for the event is the **Hendricks County Fairgrounds 1900 E. Main St. Danville, IN**

There is a barn and pavilion (pavilion will have drop down sides in case of weather) that we will be able to have table top displays and mini talks throughout the day.

The table top displays will have a table and chairs. There is limited electric as well.

There is room outside for training trailer displays as well.

If you have a table top or training trailer you can sign up for a 15 mini talk that is not ceu related so you can discuss your specific product. Times will be first come first served for the talks. If you want a specific time, send in early to ensure you get your spot. There will be a schedule handed out to attendees at check in for the talks.

Training Trailers are responsible for their own electric.

This is a **RAIN OR SHINE** event. IGWA contractor members are free and non-members have a fee.

Please return this form with your choice of sponsorship and payment. Also return the next page for speaking times.

Deadline is May 1, 2023 to respond.

Morning Coffee & Doughnuts Sponsor \$50 _____

Lunch Sponsor \$100 _____

Mini Talk Sign Up

Below is a table with times for the mini talks. Each talk is limited to 15 minutes.

Please be considerate of the speaker following you. If you need additional time to answer questions, please direct the person or persons to your display.

There will be a microphone available and projector. You will need your own laptop and cords to connect.

Please mark your time choices 1,2,3,4. Only one slot will be assigned per table top or trailer.

Time	Company Name	Speaker	Topic	Number Choice 1-4
