LETTER FROM THE PRESIDENT

Hello IGWA Membership

Welcome to another Indiana summer.

Drillers, Pump Installers, Supply Chains — man your stations! The war is underway! Water versus Heat Wave! And we are on the winning side.

David Mumma

Now Hoosiers need water the most. Of course, we're going to deliver what Hoosiers need, and do it in a quick and professional way because our membership is nearly 100 years dependable!

Let's keep our working people safe in these temperatures and check on our neighbors who are without air conditioning, and enjoy your vacations you're squeezing in during these busy Months.

And those who are not members of IGWA and reading our newsletter WHY are you not a member? We grow stronger in numbers and enhance our young member's future in this Water profession.

President David Mumma

IGWA Biennial Convention & Trade Show October 31 - November 1, 2024

Blue Chip Casino, Michigan City, IN Additional information, page 2

SAVE THE DATES FOR THE 2024 BIENNIAL CONVENTION & EDUCATION EVENT!

**October 31 & November 1, 2024
Blue Chip Casino & Spa, Michigan City, IN**

2024 marks IGWA's 94th anniversary. Our industry has changed considerably since 1930!

Mark your calendars to save the dates October 31 & November 1. Our board is hard at work to make this a great convention. This year we will have a silent auction at the end of the trade show with something for everyone! All proceeds from the silent auction goes to the scholarship fund.

Registration will open in August with a special issue of the newsletter devoted to the convention and we'll be offering an early bird incentive to register early!

REMEMBER: You must have your CEU hours for the 2023/2024 cycle by December 31, 2024. You need the CEU hours for your 2025 license.
